Finance Minor

(18 credits)

The finance minor provides students with a foundational understanding of the financial markets and corporate finance. The knowledge acquired in the finance minor can assist individuals in a business-related career and making personal investment choices. Students must complete fifteen credits of required coursework and enroll in a three credit upper-level finance course.

To earn the Finance minor, students must complete the courses listed below:

AC 161 Financial Accounting

AC 162 Managerial Accounting

FIN 227 The Stock Market

FIN 265 Corporate Financial Management

FIN 325 Money and Banking

One Finance (FIN) course or [CIS 171: Business Spreadsheet Development](#)
