Programs

Finance Minor

(18 credits)

The finance minor provides students with a foundational understanding of the financial markets and corporate finance. The knowledge acquired in the finance minor can assist individuals in a business-related career and making personal investment choices. Students must complete fifteen credits of required coursework and enroll in a three credit upper-level finance course.

To earn the Finance minor, students must complete the courses listed below:

AC 161	Financial Accounting
AC 162	Managerial Accounting
FIN 227	The Stock Market
FIN 265	Corporate Financial Management
FIN 325	Money and Banking
One Finance (FIN) course or CIS 171: Business Spreadsheet Development
