Practicum and Internship Support

Practica and internships are available as part of a student's academic program to connect classroom learning with hands-on experience in a work environment closely related to the student's academic major. The Office of Career & Professional Development provides support to students as they define their career goals and professional presence prior to the field experience. Students work closely with the Office of Career & Professional Development to develop a professional résumé prior to site placement.

Please refer to the Academic Support Services section of the Catalog for information about the College's Practica and Internship program. Students who are interested in learning more about how to participate are advised to contact the Office of Career & Professional Development.
