Office of International Student Services and Engagement

Albertus warmly welcomes international students. Our international staff help provide F-1 students with immigration advising to assist with questions related to applying for a F-1 visa, maintaining their status, and navigating work regulations as a F-1 visa holder. Various workshops are held during the academic year to assist students with specific areas such as internships, working after graduation, and tax laws in the US. In addition to immigration matters the Albertus international staff also offer exclusive programming for the international student community. For questions about F-1 regulations, I-20s, or engaging with the international student community at Albertus please contact international@albertus.edu.
