

Career and Professional Development

Career Counseling

The Office of Career & Professional Development is available to work with students individually to develop plans for achieving career goals, introduce career information sources, relate the academic world to the working world, enhance career decision-making and goal-setting skills, and assist with any other career-related issues or concerns they may have. In addition, the Office assists students to develop skills in résumé and letter writing, job search methods, career research concepts, and interview techniques.
