

The College

Weather and Emergency Alert System

The Albertus Emergency Alert System is a free mass notification system that enables Albertus students, faculty and staff to receive alerts and updates through a combination of e-mail, text messaging and phone calls in an emergency situation. The Emergency Alert System may be used to provide instructions in the event of a disaster, health or safety risk, or class cancellations due to inclement weather. The College strongly encourages all students to sign up for the Emergency Alert System.
