Military Tuition Assistance

Military Tuition Assistance (TA) is awarded to a VA student or dependent/spouse, or an active-duty member of the U.S. armed forces and/or reserves under the assumption that the student will attend school for the period in which the assistance is awarded. If the student withdraws or is administratively withdrawn, the student may not be eligible for the full amount of TA funds.

Students using VA benefits are required to submit a Certificate of Eligibility (COE) to the Office of the Registrar before benefits can be implemented. Students may be asked to submit updated COEs throughout their enrollment.

Active-duty service members seeking to use TA benefits must request approval from their commanding officer via the education portal provided by their military branch. Students who are eligible for Chapter 1606 Montgomery GI Selected Reserve (MGIB-SR) Bill education benefits through the U.S. Department of Veteran Affairs may qualify for active-duty tuition assistance. Students should contact the Military Benefits Coordinator for more information.

Albertus Magnus College accepts TA requests for all active-duty service members from all major branches of the U.S. Armed Forces.
