Master of Business Administration

(30 credits)

The Master of Business Administration (MBA), under the Tagliatela School of Business and Leadership, is a graduate professional degree designed for the working professional. The MBA provides a scientific, data-driven foundation for making business decisions. The program will provide students with a practical approach to analyzing and presenting data and a strong conceptual foundation for the successful management of business, with an emphasis on the advanced skills needed at the intersection of business management, analytics and strategy. The MBA provides the opportunity to profit from practical work-related experiences through collaborative learning and student interaction.

The culmination of the program allows students to select from a variety of ways in which to demonstrate proficiency in the knowledge acquired in the program, including a comprehensive experiential capstone project, a case-study seminar, or the development of a working business plan for an entrepreneurial endeavor or business consulting activity.

Upon completing the program of study in Business Administration, students will:

- Demonstrate advanced skills in analytical thinking as well as interpreting and presenting analytical results.
- Demonstrate advanced understanding of concepts in the functional areas of business.
- Demonstrate an ability to apply business analytics techniques and tools to real-world management challenges.
- Demonstrate a capacity for informed moral decision-making in the business environment.

Admission Requirements

- A completed application form and a non-refundable \$50 application fee.
- Bachelor's degree from an accredited institution approved by the [U.S. Department of Education](#) (USDE) or the [Council for Higher Education Accreditation](#) (CHEA).
- Official transcripts from all degree-granting institutions attended that are accredited and recognized by the USDE or CHEA.
- Minimum cumulative grade point average (GPA) of 2.8.*
- Proficiency in essential software and tools, including Microsoft Office Suite (Word, Excel, PowerPoint), data analysis tools (such as Excel or statistical software), and communication platforms (e.g., Zoom, Google Meet).
- For non-native English-speakers, a minimum TOEFL score of:
 - 550 (paper-based)
 - 80 (internet-based)
 - 213 (computer-based)
- Proof of identity.

- Applicants using [VA benefits](#) may be required to submit additional documentation, such as a Certificate of Eligibility, upon matriculation to the school certifying official.
- An essay (of 500-600 words, double-spaced) on their professional career interests, reasons for entering the program and expectations of the program.
- Two letters of recommendation from former professors or professional associates.

** Applicants who do not meet the above GPA requirement may be admitted to the program on a provisional basis. You may be required to complete preparatory courses or to earn a 3.0 cumulative GPA in 6 credits before being fully admitted to the program.*

Transfer Credits

Albertus Magnus College will accept a maximum of 6 graduate hours from accredited institutions approved by the U.S. Department of Education (USDE) or the Council for Higher Education Accreditation (CHEA) toward satisfying the program requirements. Such credits must have been completed prior to entrance into the program and must satisfy degree requirements. Transfer credits must have been completed with a minimum grade of 3.0 within the last five years. Transfer credits will be considered on an individual basis. Students must submit an official transcript showing proof of completion of the course(s) to be transferred. All requests to transfer credits must be completed prior to starting the program. Internal transfer students from other Albertus graduate programs must complete at least 50% of their requirements (15 credits) in the Albertus MBA program.

Program Format

Classes are offered in five, eight-week modules during the calendar year. All classes are fully online. On-ground courses may be offered when demand suffices.

Academic Advisement

Admitted students are assigned a faculty advisor, typically the program director. Together the student and advisor will develop a program of study. Throughout the program the advisor will assist students with course planning, registration and regular academic review.

Course Load

Students may register for no more than 6 credits per mod.

Graduation Requirements

Students are responsible for reviewing the program requirements for their specific catalog year, fulfilling those requirements, and maintaining regular communication with the program director. To earn a graduate degree from Albertus Magnus College, students must successfully complete all program requirements and achieve a minimum cumulative GPA of 3.0. All requirements must be completed within seven years of matriculation, beginning with the module or semester in which the student starts their first course in the program. Graduate courses that exceed the time limit no longer count toward meeting program requirements, including transferred courses.

Graduation with Honors

Master’s degree candidates who have a cumulative GPA of at least 3.90 are awarded honors and will have the notation included on their transcript and diploma.

4+1 BS in Business Management/Master of Business Administration

The 4+1 BS in Business Management/Master of Business Administration (MBA) program is designed for high-achieving traditional undergraduate students who seek to complete both a bachelor's and master's degree in an expedited timeframe. The program provides an efficient pathway to advanced business education, equipping students with the strategic and managerial skills needed for leadership roles across a variety of industries.

Students admitted to a 4+1 program complete the requirements for both degrees, typically totaling at least 150 credits, including a minimum of 120 undergraduate credits and 30 graduate credits. During the senior year, students may enroll in up to two graduate-level courses, one in the fall and one in the spring semester, which may be applied to both undergraduate and graduate degree requirements. These are the only credits that may be double-counted between the two programs.

Admission Requirements

Students must apply to a 4+1 program during the junior year or upon completion of no more than 90 credits. Admission is competitive and requires a minimum cumulative GPA of 3.5 or higher, unless otherwise specified by the program. Applications submitted after the junior year may not be considered. Final acceptance is granted by the graduate program.

Enrollment and Advising

Upon acceptance, students are assigned a graduate advisor in addition to their undergraduate advisor. Students remain classified as undergraduate students until the bachelor's degree is conferred.

Academic Standards and Progression

To continue in the 4+1 program, students must maintain a minimum cumulative GPA of 3.0 and earn a grade of B or higher in all graduate-level coursework. Students may not exceed the maximum number of graduate credits permitted prior to completion of the bachelor's degree, as defined by the program.

Tuition and Financial Aid

Graduate courses taken during the undergraduate phase are billed at the undergraduate tuition rate when included as part of a full-time undergraduate course load (12–18 credit hours per semester), unless otherwise noted; in these cases, no additional tuition is charged for the graduate coursework. After the bachelor's degree is awarded, students are charged graduate tuition rates for all remaining coursework. Financial aid eligibility may change upon transition to graduate status and is subject to federal, state, and institutional regulations.

Program Completion

Students are expected to complete all graduate degree requirements within a defined timeframe following conferral of the bachelor's degree, typically within one year, unless otherwise specified by the program.

Withdrawal or Dismissal

Students who withdraw from or become ineligible to continue in a 4+1 program may apply completed graduate coursework toward their undergraduate degree as elective credit, where applicable, provided a passing grade is earned. If a student later regains eligibility and is formally readmitted to the graduate program, previously completed graduate coursework in which a passing grade was earned may be applied toward the graduate degree, subject to program approval and applicable time limit requirements.

Eligibility

4+1 programs are limited to full-time, matriculated traditional undergraduate students in designated majors.
