

Admissions

Non-Matriculated Students

Non-matriculated students may take a maximum of 12 credits before formally applying to the College. Those non-matriculated students who may have an interest in applying to the College must complete the formal application process. Credits from the courses taken as a non-matriculated student will apply to the student's course credits. An application to become a matriculated student does not guarantee admission. Non-matriculated students will pay the prevailing tuition rate. Non-matriculated students are not eligible for financial aid. All Albertus Magnus College courses have limited enrollment; priority and permission are given to matriculated students. The College determines which courses are open to non-matriculated students as well as the number of students allowed in each course.

For guidance purposes, the high school record and complete college transcripts may be requested.

For information on how to register for courses as a non-matriculated student, please contact the Office of the Registrar.
