LiveSafe

Albertus Magnus College monitors **LiveSafe**, which is a free security app that is available to all campus community members. LiveSafe allows the community the ability to connect with Public Safety through the app – report suspicious activity with photos/videos, request a virtual escort, find directions on campus, and report emergencies. We encourage all College community members to download and set up the LiveSafe app, available in your app store.

The College has a strong partnership with the City of New Haven Police Department (NHPD). Often, the College has a NHPD Officer on campus to work alongside Public

Safety. The Police Officer is here to serve as both a crime deterrent and community partner.

Community members may request safety escorts by contacting Public Safety.
